How Do I Apply?

- Once you have identified a position(s) to apply for, go to: <http://www.avuedigitalservices.com>, click on Avue's logo to enter.
- Log in if you have an account. If not, you will need to register by clicking on the **SIGN UP** link (found above the log in box).
- Fill out the registration and click on **SAVE THIS INFORMATION** at the bottom of the screen.
- Select **PROFILE** (third to last tab on the top).
- You will be prompted to respond to questions-make sure you scroll to the bottom of each screen and click on the **SAVE THIS INFORMATION** option. Screens will include personal information, applicant information, work history, eligibility, references, education....you will see them listed on the right hand of your screen.
- When you complete the profile-select **APPLY FOR JOBS** (second to last on the right handed list).
- A screen with a map of the U.S. should appear. Select **SEARCH BY FILTERS** (above the map).
- Enter the series for the position you would like to apply to (the series is the numbers following the GS. The grade follows the series). Do the same for the grade.
- Skip **JOB TITLES** and move on to agencies, where you will select US` 1DA Forest Service. Click on **FIND JOBS** at the bottom.
- A listing will come up. Select the position you want by clicking on the title (i.e. Forestry Aide (FIRE)).
- Information about the position will display on the screen. To apply select **APPLY NOW** found on the right hand of the screen. The mandatory steps in red are the screens you will need to go through. Make sure you review each screen/page and save.
- Once these are completed you will submit your application by clicking **SEND APPLICATION** and two additional screens will come up. The 1st identifies errors that may be in your application. If no errors appear select **CONTINUE AND SEND APPLICATION**. A certification statement will show up you must read it and click OK. This means you are saying the information is accurate. If you do not click on the certification statement your application will not be considered. You are now done—Good Luck!
